

NO. OF CALCULATION FIELDS

The screenshot shows a software interface for a data module. On the left is a vertical sidebar with three icons: a list icon, a document icon with a red 'A', and a double-headed vertical arrow. The main area is titled 'Data module' and contains a search bar. Below the search bar, a list of fields is displayed under the heading 'St_module'. The fields are organized into a tree structure: 'Navigation paths' is a folder icon; 'Studentdata' is a list icon with a dropdown arrow; and several other fields are preceded by a right-pointing triangle icon. The fields include 'Result', 'Grade', 'Average', 'sum', 'Student Id', 'gender', 'race/ethnicity', 'parental ...ducation', 'lunch', 'test prep...n course', 'math score', 'reading score', and 'writing score'. A vertical scrollbar is on the right side of the list.
